## TO THE NURSERY TRADE:

Due to the extreme winter sub-zero weather we had in January we are late in presenting our spring trade list as we have been busy checking and double checking to be sure to determine just what stock we can offer that is in good condition and not damaged from the cold weather. The results are that we are using an eight page folder where we have been using a 48 page book form trade list. We have eliminated all stock that was not in first-class condition except a few items in lining out stock and are marked top injury from the freeze. Will gladly send samples on these items for your approval before shipment is made.

We guarantee all stock offered in this list to be in first-class condition with no winter injury, up-to-grade specified and true-to-name. We will appreciate any orders that you can give us and we assure you that we will give the best service possible with good first-class stock.

We also promise you that we will not send any retail catalogues or retail salesmen into your section to compete with you offering stock to the retail trade at about the same prices we charge you. We are wholesale only and have no retail salesmen or retail catalogues, do not run any peddling trucks, sales yards, stores or radio programs offering stock in competition with your retail sales. Our only outlet is through the wholesale trade and we promise you a square deal.

We hope to be offering our usual full line of stock for Fall 1940 and Spring 1941 and trust that our friends and customers will keep us in mind when making your order for any stock you can use from this list and also remember us for next season.

We offer the following quantity discounts for orders booked up to MARCH 15th:

50.00 to	100.00	4%
100.00 to	300.00	6%
300.00 and up		8%

After March 15th prices will be NET less regular 5% for cash with order.

The quantity discount is in addition to our regular 5% and free packing for cash with order as offered in our regular trade terms on bare root stock. We charge for packing on balled and burlapped stock on cash orders. All C. O. D. orders must be accompanied by one-fourth cash, where this amount accompanies order we make no charges for packing except on B&B material.

Thanking all old customers for the business they have given us in the past and assuring both old and new customers that we will give you both stock and service that will please you, we are,

Yours very truly,

FOREST NURSERY COMPANY, INC.
